Supervisor Yaroslavsky made the following statement:

“Chill is an intervention program for underprivileged and at-risk, inner-city kids from the Los Angeles area. Chill brings kids between the ages of 10 to 18 out of the city once a week for six weeks and provides them with everything they need to learn to snowboard: lift tickets, instruction, bus transportation and head-to-toe gear. This nonprofit organization works through agencies that services disadvantage kids on probation, in foster care, at-risk of drop-out, gangs. These are all kids who would never otherwise have this opportunity.

“On March 4, 2006, the Los Angeles Chill program hosted a get-together at Marina ‘Mother’s’ Beach for the kids to celebrate their successful completion of the Chill program.”

Therefore, on motion of Supervisor Yaroslavsky, seconded by Supervisor Antonovich, unanimously carried, the Board reduced the permit fee to \$50.00, and parking fee to \$1.00 per vehicle, excluding the cost of liability insurance, at Mother’s Beach in Marina del Rey for Chill’s get-together event to celebrate the successful completion of its intervention program for underprivileged and at-risk, inner-city kids from the Los Angeles area, held March 4, 2006.
